

LUBLIN - KONCEPCJA ŚCIEŻYNY

The map displays the Lublin region with the Vistula River (Wisła) as a central feature. Key locations include Lublin, Dąbrowica, Marysin, Sławin, and Wola Sławińska. The map is densely populated with elevation points and geographical details. A large, bold title 'LUBLIN - KONCEPCJA ŚCIEŻYNY' is prominently displayed across the top. The map also shows various infrastructure elements like roads, railways, and forests.
